Masses during August

Saturday 6pm & Sunday 10.15am

Fr David writes...

Lourdes is indeed an amazing place. A place of love, a place of service, a place of healing, a place where one cannot help but encounter the presence of God and leave feeling changed by it. I returned from the A&B pilgrimage on Thursday feeling exhausted in body, but utterly alive in mind and spirit, what a wonderful week! You were all in my thoughts and prayers as I was there, and I placed all your petitions in the Grotto on the last day following the Mass that the pilgrimage celebrated there, and I lit several candles and left them burning to keep your prayers alive. I do encourage you all to consider coming to Lourdes one year, you can come in a variety of capacities on the pilgrimage, there is room for all, and it is the most wonderful experience. The young people who I journeyed with in the Redshirts also had a wonderful time and I thank you for your prayers for us, it was a blessed week and I pray that the experience may live on in their hearts. Here is a photo of the candles lit for you all.
